

**JOHNSON COUNTY SOCIAL SERVICES**  
**School Age Scholarship Program**

Johnson County Social Services (JCSS) is currently accepting applications for School Age Scholarships for Johnson County youth enrolled in online or hybrid learning. The School Age Scholarship program can assist families to pay for school-day support for their child while they participate in online or hybrid learning.

Scholarships are available for children enrolled in kindergarten through 6<sup>th</sup> grade in the Clear Creek Amana, Iowa City Community, Lone Tree, or Solon School Districts. Scholarship funds can be used for programs that support school engagement and social/emotional development.

Applications will be accepted on a first-received, first-considered basis. Eligible programs may include licensed child care centers, Community NESTS (Nurturing Every Student Together Safely), or school-time recreation programs. Families must have household income at or below 200% of the federal poverty level and reside in Johnson County. Families apply to JCSS for the scholarship; funding is provided directly to the provider at their contracted rate.

Johnson County recognizes that this is a challenging time for students, parents, and schools as we develop new ways to learn and work. Our goal is to ensure youth and families receive the tools and supports they need to navigate these unusual circumstances and to ensure positive outcomes in the future.
