For Immediate Release

F12 (120th Street NW)/Division Street Rehabilitation to Begin Project #LFM-120th--7X-52

Johnson County, Iowa – Weather permitting, construction is expected to begin on F12 (120th Street NW)/Division Street from Highway 965 to Iowa County, the week of August 12th, 2019. Travelers should expect potentially long delays, especially during peak traffic hours. A detour will be provided around a short closure within the City of Swisher. **A weight embargo will be enforced on the detour route - please do not exceed the posted limit.** Other traffic control will include flaggers, pilot cars, and temporary signals. Local and emergency access to properties and homes will be maintained throughout construction.

Fall 2019 construction, on 120th Street from Iowa County to Swisher View Drive, is expected to be complete by the end of November. Spring 2020 construction, on 120th Street from the East corporate limits of Swisher to Highway 965, will start in April and be completed by the end of June. L.L. Pelling Company, Inc. of North Liberty, Iowa is the prime contractor.

Please slow down and drive defensively in the work zone. Your patience and understanding is greatly appreciated while we work to complete these improvements as quickly as possible.

For updates on this project, visit the Secondary Roads Department, Road Construction Updates page via links on the Johnson County homepage (www.johnson-county.com) or follow Secondary Roads on Twitter @JCSecondaryRoad.
