Initial each empty box below to ensure you included all necessary information in the appropriate form for an application to be considered complete. Some items may require both electronic and physical copies.

Item Required	Electronic Copy (PDF unless otherwise noted)	Hard Copy
Application Fee (\$100)		
This application form with all information completed		
A brief cover letter explaining the application and addressing, at a minimum, the number of animal units processed per year, hours and days of operation, number of employees, and plans for water and wastewater provisions.		
An informal site plan of the property showing the following: <ul style="list-style-type: none"> • Required parking spots clearly marked (with dimensions) • Location and setback distance from property lines for all structures to be used as part of the slaughter and/or processing • Proposed entrance and exit to the site 		
Proof of compliance with IDALS licensing requirements, DNR animal waste disposal regulations, and other applicable federal or state regulations		

Supplemental Conditions from Chapter 8:1.23.B1 of the Unified Development Ordinance:

B1. Animal Slaughter Facility, Limited. Limited slaughter is an accessory use in the A, AR, SF, and AG-T districts and is subject to Zoning Administrator approval and the following conditions:

1. One (1) Limited slaughter facility may be permitted per parcel or parcel group.
2. Limited slaughter facilities may slaughter and/or process a maximum of fifty (50) animal units in a calendar year.
 - a. This shall be a cumulative total where the animal unit count of any animal slaughtered or processed at the facility shall count toward the total.
 - b. Where an animal is both slaughtered and processed at the facility, the animal unit shall only be counted once.
 - c. Poultry processed on the property under the Slaughter and Processing of Birds accessory use as allowed in this ordinance does not count towards the 50 animal unit limit.
3. All animal slaughter and processing shall occur inside a fully closed structure.
4. All structures used for animal slaughter must meet and follow facility licensing requirements of the Iowa Department of Agriculture and Land Stewardship (IDALS).
 - a. Where the IDALS-licensed facility is not certified for poultry processing, poultry processed on the property under the Slaughter and Processing of Birds accessory use as allowed in this ordinance does not need to occur in the IDALS-licensed facility.
5. The applicant must obtain written approval from the Iowa Department of Natural Resources (DNR) for disposal of the offal and other animal waste created by the slaughtering of animals. The facility must maintain compliance with DNR regulations for offal and other animal waste disposal at all times.
6. Limited slaughter facilities shall not be located on parcels smaller than three (3) acres.
7. All structures used for Limited animal slaughter shall be setback no less than one hundred fifty (150) feet from all property lines.
8. Off-street parking shall be provided in accordance with subsection 8:1.24.
9. On-site retail sales are prohibited.
10. The facility shall comply with all applicable federal, state, and local regulations.
