

## Summer 2023 Youth Activity Directory - Elementary

Summer is an exciting time in Johnson County, Iowa! We are lucky to have so many youth-serving agencies that offer a wide variety of activities, but it can be challenging to keep track of everything. We've created this directory to help parents and professionals be aware of many of the FREE programs for school-age youth offered in our community.

We're certain your child will find something of interest here.
