Inspection Published Comment:

Food Service Establishment Pre-opening inspection.

LICENSE IS APPROVED

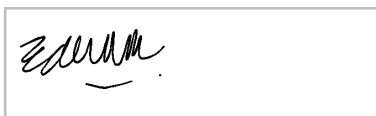

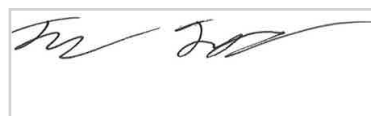

Scope of Business: Establishment is serving acidified sushi under a HACCP protocol.

Limitations: Establishment shares cooling space with multiple establishments in the food court. Cooling shelf is a limitation. Establishment currently does not have a state approved HACCP procedure. Until said procedure is approved establishment agrees to utilize cold holding protocols to store sushi rice.

Certified Food Protection Manager(CFPM):Establishment currently employs a Certified Food Protection Manager.

Firm has been made aware of the basic food code requirements applicable to their establishment and current operation. Person in charge understands the responsibility of the permit holder to comply with those requirements. If subsequent on-site inspection reveals non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the time frame specified in the Iowa Food Code.
