Inspection Published Comment:
Routine inspection conducted. A physical recheck will occur on or after 4/11/24 to verify corrections have been made.

The following items are repeat Risk Factor Violations. The owner stated they will implement the following long term corrective actions: #3. Person in charge agrees to maintain copies of completed employee health reporting agreements on site for review. #5. Site specific written procedures will be posted and maintained onsite for employees.

- The person in charge agrees to the following:
 i. A minimum of one employee will be a Certified Food Protection Manager no later than 10/1/24.
 ii. Register at least one individual with management and supervisory authority and responsibility for a certified food protection manager course or exam by 4/11/24.
- iii. Provide the inspector with proof of registration such as a receipt or a forwarded email confirmation from the course provider upon registration. A certificate of course completion may also be provided.

Follow-up will be completed on or after 4/11/2024 by Physical Recheck.

The following guidance documents have been issued:

Person In Charge

Governon,

Jesse Bockelman Inspector
