**Scope of Business:** The establishment intends to offer lunch offerings like Grilled tenderloin and burgers for dine-in and carry-out service. The establishment is equipped to cook, reheat, hot/cold hold, and cool in small portions. Extensive changes to the menu or remodeling of the establishment require prior approval by the Regulatory Authority.

**Limitations:** No Limitations based on current menu and facility capability and capacity.

The person in charge understands that a Certified Food Protection Manager is required to be employed no later than 11/2/24. The person in charge agrees to provide documentation to the inspector upon course completion.

Firm has been made aware of the basic food code requirements applicable to their establishment and current operation. The person in charge understands the responsibility of the permit holder to comply with those requirements. If a subsequent on-site inspection reveals non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the timeframe specified in the Iowa Food Code.

A physical recheck will occur on or after 5/16/2024 to verify corrections have been made.
