Inspection Published Comment:
Food Service Establishment Pre-opening inspection.

LICENSE IS APPROVED

Scope of Business: Establishment is a sushi restaurant offering lunch, dinner and takeout.

Limitations: Sushi bar only has a handwashing sink. Establishment is aware if the hand sink is used for proposes other then washing hands. A dump sink may need to be installed.

Certified Food Protection Manager (CFPM): Employee is a certified food protection manager. Certificate was provided and is attached to the report.

Firm has been made aware of the basic food code requirements applicable to their establishment and current operation. Person in charge understands the responsibility of the permit holder to comply with those requirements. If subsequent on-site inspection reveals non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the time frame specified in the Iowa Food Code.

The following guidance documents have been issued:

Mike Wong
Person In Charge

Laura Sneller
