### Inspection Published Comment:

#### LICENSE IS APPROVED

Scope of Business: The unit is a mobile food truck that intends to offer shaved ice and hot lunch and dinner offerings like Burritos, Tacos, and condiments. Limitations: Establishment is limited with cold holding equipment to the approved menu. Onsite cooking is limited to approved menu items. All food preparation and cooking to occur on the mobile food unit. Any alterations require prior approval from JCPH.

The person in charge understands that a Certified Food Protection Manager is required to be employed no later than 12/27/24. The person in charge agrees to provide documentation to the inspector upon course completion.

Firm has been made aware of the basic food code requirements applicable to their establishment and current operation. The person in charge understands the responsibility of the permit holder to comply with those requirements. If subsequent on-site inspection reveals non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the time frame specified in the lowa Food Code.

The following guidance documents have been issued:
