Inspection Published Comment:
 Routine inspection conducted. Observed violations corrected at time of inspection. No further onsite action necessary.

The following items are Repeat Risk factor violations. The manager stated they will implement the following long-term corrective actions.

#23: Employees will be retrained on appropriate date marking procedures for commercial containers.

Per Johnson County Public Health policy on Repeat Risk Factor Violations items found out of compliance for a third consecutive routine inspection will result in the issue of a Warning Letter.

The following guidance documents have been issued:
