GOOD RETAIL PRACTICES

Inspection Published Comment: LICENSE IS APPROVED.

Scope of Business: The establishment is a grocery store that intends to sell pre-cut/pre-packaged meat and food items, fresh produce, dairy, and baked goods, along with canned and packaged goods as well as various non-food items.

Limitations: This inspection report serves only the grocery store part of the facility. The person in charge will contact the inspector to schedule a separate pre-opening inspection for the restaurant.

Firm has been made aware of the basic food code requirements applicable to their establishment and current operation. The person in charge understands the responsibility of the permit holder to comply with those requirements. If a subsequent on-site inspection reveals non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the timeframe specified in the lowa Food Code.

The following guidance documents have been issued:
