Inspection Published Comment:

Routine inspection conducted. A physical re-check will be conducted on or around 11/16/2024 to verify corrections have been made.

Per Johnson County Public Health policy on repeat Risk Factor Violations out of compliance on three or more routine inspections a Warning Letter has been issued for violation #10 & #16. See official letter for compliance details.

The following items are Repeat Risk factor violations. The manager stated they will implement the following long-term corrective actions.

#23: Employees will be retrained on appropriate date marking procedures for house made items.

#43: Person in charge agrees to ensure utensils stored in food have a designated handle that is stored outside of contact with food.

Per Johnson County Public Health policy on Repeat Risk Factor Violations items found out of compliance for a third consecutive routine inspection will result in the issue of a Warning Letter.

Follow-up will be completed on or after 11/16/2024 by Physical Recheck.

The following guidance documents have been issued:
