Inspection Published Comment:
Pre-opening inspection for Home Food Processing Establishment.

The license is APPROVED.

Scope of Business: The establishment intends to make different baking goods.

Limitations: This establishment has limited cooling space. Gross annual sales of homemade food items are limited to \$50,000. Homemade food items not listed on the application will not be sold or distributed. Food items that meet the definition of a homemade food item may be added to an application at any time using the online application system or by contacting your inspector directly.

This establishment has been made aware of Home Food Processing regulations detailed in HF2431 and Iowa Administrative Code 481 Chapter 34. The person in charge understands their responsibility as the permit holder to comply with requirements applicable to their operation.
