Inspection Published Comment:

LICENSE IS APPROVED.

Scope of Business:

The establishment is authorized to produce and sell various types of pasta in Iowa City and the surrounding areas.

Facility and Operations:

The establishment is equipped for cold holding and cooling in small portions. Any significant menu modifications or facility remodeling must receive prior approval from the Regulatory Authority.

Limitations:

No limitations apply based on the current menu, facility capabilities, and operational capacity.

Food Safety Compliance:

The establishment has a Certified Food Protection Manager. The Person in Charge presented the required CFPM documentation to the inspector during the pre-opening inspection.

Firm has been made aware of the basic food code requirements applicable to their establishment and current operation. The person in charge understands the responsibility of the permit holder to comply with those requirements. If a subsequent on-site inspection reveals non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the timeframe specified in the Iowa Food Code.

The following guidance documents have been issued:
