Inspection Published Comment:
LICENSE IS APPROVED.

Scope of Business: The establishment intends to offer hot lunch and dinner offerings like burritos, bowls, tacos, quesadillas, and kitchen entrees for dine-in and carry-out service. A delivery service from a third party may also be offered.

Establishment is equipped to cook, reheat, hot/cold hold, and cool in small portions. Extensive changes to the menu or remodeling of the establishment require prior approval by the Regulatory Authority.

Limitations: No limitations based on the current menu and facility capability and capacity.

The establishment has a Certified Food Protection Manager. The person in charge provided CFPM documentation to the inspector during the pre-opening inspection.

Firm has been made aware of the basic food code requirements applicable to their establishment and current operation. The person in charge understands the responsibility of the permit holder to comply with those requirements. If a subsequent on-site inspection reveals non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the timeframe specified in the Iowa Food Code.

The following guidance documents have been issued:
