**Inspection Published Comment:
LICENSE APPROVED****Scope of Business:**

The establishment is authorized to serve hot and cold breakfast, lunch, and dinner to residents of the comprehensive addiction treatment facility. Food preparation activities include cooking, reheating, hot/cold holding, and cooling in small portions. Any significant changes to the menu or structural remodeling must receive prior approval from the regulatory authority.

Limitations:

There are no current limitations based on the facility's existing menu, equipment, or operational capacity.

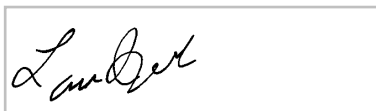

Food Safety Management:

The establishment has a Certified Food Protection Manager (CFPM) on staff. The person in charge provided valid CFPM documentation during the pre-opening inspection.

Regulatory Compliance:

The firm has been informed of the basic food code requirements applicable to their operation. The person in charge acknowledges the permit holder's responsibility to maintain compliance. In the event that a future inspection identifies any regulatory violations, the permit holder agrees to address and resolve all issues within the timeframe established by the Iowa Food Code.
