Inspection Published Comment:

This onsite visit is a routine inspection.

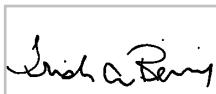

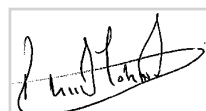

An illness complaint was also completed at the time of inspection. The complainant stated that they became ill after eating at the establishment.

The manager was not aware of the complaint. The manager stated that no employees have reported ill in the past week, no water or electricity outages have occurred, and no malfunctions of equipment were reported around the time of the complaint.

The complaint is UNVERIFIABLE.

The following guidance documents have been issued:
