

PLANNING, DEVELOPMENT AND SUSTAINABILITY

Soil Health Program Application

Johnson County will reimburse homeowners in the unincorporated area and smaller communities (see below) 50% of the cost, up to \$2000, of completing soil quality restoration. To qualify for reimbursement through this program, the applicant must receive approval from the County prior to the work being started, by submitting this application form and providing the contractor estimate (must be included with the application).

Requirements

1. Applicant must be a resident of unincorporated Johnson County or the incorporated communities of Hills, Lone Tree, Oxford, Solon, Shueyville, Swisher, University Heights, or West Branch (located within Johnson County). Residents of Coralville, Iowa City, North Liberty, and Tiffin should contact their municipalities.
2. The applicant must be the owner of the property where the work will be completed.
3. Funds will *not* be provided for soil quality restoration that is being completed in order to meet local requirements for development or building projects.
4. Approval must be granted prior to commencement of the soil quality restoration, for the project to be eligible for reimbursement.
5. Johnson County will provide reimbursement after project costs are incurred.
6. Reimbursement will be made only after:
 - o Approved projects are completed.
 - o The County is given access to assess the property for final inspection of the service.
 - o An invoice is submitted (no later than May 1, 2026).
7. The property owner is solely responsible for working with the contractor to complete the approved project. Johnson County is not liable for personal injury or property damage resulting from said work.
8. Approved projects carry no implied warranty by Johnson County.

Instructions:

1. Complete the form below.
2. Attach the cost estimate from the selected contractor.
3. Return the completed form to:

Johnson County Planning, Development and Sustainability
Soil Health Program
913 S. Dubuque Street
Iowa City, IA 52240

Or scan both the estimate and completed form and email to
soilhealthprogram@johnsoncountyiowa.gov

The County will review the submitted application and you will be notified of approval within two weeks (10 business days). Once approval from the County is provided, the work can be scheduled with the selected contractor.
