4. All proposals must be filed on the forms furnished by the County, sealed and plainly marked. Proposals containing any reservations not provided for in the forms furnished may be rejected, and the County reserves the right to waive technicalities and to reject any or all bids.
5. Attention of bidders is directed to the Specifications covering the qualifications of bidders and subletting or assigning of the contract.
6. As a condition precedent to being furnished proposal forms, a prospective bidder must be on the current Iowa Department of Transportation list of qualified bidders; except that this requirement will not apply when bids are received solely for materials, supplies, or equipment.
