Inspection Published Comment:

A physical recheck inspection was conducted. No further action is needed.

Corrections observed during this inspection included:

Item #16 Sanitizer tested within the parameters on the low-temperature chemical dish machine.

Item #23: All the containers of prepared foods and sauces have the date marking of the preparation date.

Item #28 The kitchen sanitizer bucket was tested within the parameters.

Item #37 All the containers of sauces have labels with the common names of the food.

Item #44 The ice bucket is stored in a manner that allows for air drying and prevention of contamination from the premises.

The following guidance documents have been issued:
