Inspection Published Comment:

Physical recheck inspection conducted. No further onsite action necessary.

The following items have been corrected:

#3. All employees have read and signed the establishments health reporting agreement. Copies are maintained onsite.

#15. All raw foods are properly stored below ready to eat foods in the walk-in cooler. Raw proteins are properly stored with other raw proteins.

#23. Foods prepared onsite are dated and held within 7 day limit for in house prepared foods. All open commercial containers are dated with the open date.

#29. Bottles of un-pasteurized juice are properly labeled with required warning statement.

#43. In use utensils are properly stored between uses, scoops without a dedicated handle are not stored in dry ingredient bins.

#55. No cardboard or absorbent rags on the floor in coolers. Floors maintained for easy cleaning.

The following guidance documents have been issued:
