LICENSE STATUS: Approved

Scope of Business: The establishment will offer hot and cold beverages, as well as breakfast and lunch items, including espresso drinks, tea, energy drinks, sweet treats, breakfast sandwiches, avocado toast, and chicken harvest wraps and salads.

Limitations: Cooling is limited to the capacity of the on-site 1-door commercial refrigeration unit and two lowboy coolers. No raw food will be cooked on-site; all foods will be purchased ready-to-eat from Performance Food Service and assembled on-site.

The person in charge understands that a Certified Food Protection Manager is required to be employed no later than 05/20/2026. The person in charge agrees to provide documentation to the inspector upon course completion.

Firm has been made aware of the basic food code requirements applicable to their establishment and current operation. The person in charge understands the responsibility of the permit holder to comply with those requirements. If a subsequent on-site inspection reveals non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the timeframe specified in the lowa Food Code.

The following guidance documents have been issued:
