Dear Josh,

On behalf of Kathy Shebetka we are submitting a Preliminary and Final Plat for a 2 Lot subdivision. This will be a resubdivision of Lot 5, Hickory Heights Subdivision, Part Four and Auditor's Parcel 2019082 which was Boundary Line Adjusted to said Lot 5 back in 2019. Both parcels are zoned AR – Agriculture Residential. The boundary of Lot 5 will stay the same and will become the boundary of the proposed Lot 1. The boundary of Auditor's Parcel 2019082 will stay the same and will become the boundary of the proposed Lot 2 under this subdivision application.

There is an existing dwelling located on proposed Lot 1 which will remain, a existing permitted septic system and well that services said dwelling will also remain. There are no dwellings, septic systems, or wells located on proposed Lot 2. There are two portable sheds on the property. There are two existing access easements in place to provide access from the proposed Lot 2 to Hickory Drive NE.

Stormwater Management has been waived until Building Permit time and a Sensitive Areas Report has been provided with this application.

Please let us know if you have any questions or concerns.

Respectfully submitted,
