Inspection Published Comment:

A physical recheck inspection was conducted.

Corrections observed during this inspection included:

Item #1 An employee was identified as the person in charge during inspection.

Item #2 Verifiable CFPM certificate was available for audit during inspection.

Item #3 Verifiable health reporting agreements are available for audit during inspection.

Item #10 All kitchen hand-washing sinks of the facility are accessible and supplied with soap and paper towels.

A letter of correction has been issued for violation #5. See the letter for compliance details. The inspector will send an official letter of correction request to the person in charge.

Follow-up will be completed on or after 1/5/2026 by Follow Up-Letter of Correction.

The following guidance documents have been issued:

| Document Name | Description |
