**28E Agreement between the City of Iowa City and Johnson County
Providing for Preservation of the Oakdale Boulevard Corridor between
County Road W-66 and Scott Boulevard**

This Agreement is made and entered into pursuant to Chapter 28E, Code of Iowa (2003), by the City of Iowa City, Iowa, hereinafter referred to as "Iowa City", and Johnson County, Iowa, hereinafter referred to as "the County".

WHEREAS, Iowa City and the County participate in the Johnson County Council of Governments (JCCOG) for the purposes of metropolitan area-wide transportation planning; and

WHEREAS, JCCOG has adopted an Arterial Street Plan for the Iowa City Urbanized Area; and

WHEREAS, the adopted JCCOG Arterial Street Plan shows that Oakdale Boulevard will eventually be extended between County Road W-66 (Dubuque Street) and Scott Boulevard, but the Arterial Street Plan does not set out a preferred corridor alignment; and

WHEREAS, it is in the best interest of the citizens of Iowa City and the County to enter into an agreement which is intended to preserve the preferred corridor now identified for Oakdale Boulevard, which will eventually be extended between County Road W-66 and Scott Boulevard; and

WHEREAS, this agreement is intended to clarify the more general language now found in the JCCOG Arterial Street Plan regarding the alignment of Oakdale Boulevard between County Road W-66 and Scott Boulevard.

NOW, THEREFORE, IN CONSIDERATION OF THE MUTUAL COVENANTS AND AGREEMENTS SET FORTH HEREIN, IOWA CITY AND THE COUNTY AGREE AS FOLLOWS:

1. The attached Figure 1 illustrates the general preferred corridor which has been selected for Oakdale Boulevard which will eventually be extended between County Road W-66 and Scott Boulevard.
2. Actions taken by Iowa City or the County shall preserve a 100 foot wide right-of-way as a general preferred corridor, as shown in Figure 1. However, any specific action to secure actual right-of-way shall be undertaken by each separate governmental entity, namely Iowa City and Johnson County, and such actions in securing said right-of-way, by dedication or otherwise, shall be carried out by Iowa City and Johnson County in a manner required by law. These actions by Iowa City and Johnson County shall include but not be limited to: the subdivision of property, annexations, conditional use permits, lot splits, farmstead splits, building permits, and rezoning of property.
3. This Agreement shall exist solely to preserve the general, preferred corridor for the eventual extension of Oakdale Boulevard between County Road W-66 and Scott Boulevard. It shall not obligate Iowa City or Johnson County to build any portions of the Oakdale Boulevard extension, nor shall this agreement in any way encumber the title or affect the rights of any property within the general, preferred corridor as depicted in Figure 1 attached hereto and incorporated by reference herein.

4. This Agreement shall remain effective unless and until the agreement is cancelled or modified by joint written agreement of the Iowa City City Council and the Johnson County Board of Supervisors.
5. This Agreement shall be recorded in the Johnson County Recorder's office and the Secretary of State's office as provided by Chapter 28E, Code of Iowa (2003).

Executed with approval and on behalf of the City of Iowa City and the Johnson County Board of Supervisors.
