Inspection Published Comment:
Mobile Food Establishment Pre-opening inspection.

LICENSE IS APPROVED

Scope of Business: Establishment is a mobile trailer serving gyros, hotdogs, fried catfish, wings and fries. Foods are sourced from L & P Wholesale in Chicago, Il or locally from grocery stores. Items held at commissary location and supplied to mobile unit for day of use.

Limitations: Cold holding is limited on the unit. Unit stores enough food for one days service on the unit. Extra food is stored at the commissary location located at 1105 Kitchen in Iowa City. Expansion of menu would require approval based on limited cold and no hot holding in unit.

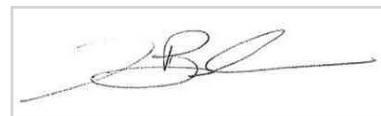

Certified Food Protection Manager(CFPM): Employee is a certified food protection manager. Certificate was provided and is attached to the report.

Firm has been made aware of the basic food code requirements applicable to their establishment and current operation. Person in charge understands the responsibility of the permit holder to comply with those requirements. If subsequent on-site inspection reveals non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the time frame specified in the Iowa Food Code.

The following guidance documents have been issued:

Cyntonia Lanier
 Person In Charge

Jesse Bockelman
 Inspector
