Inspection Published Comment:
Food Service Establishment Pre-opening inspection.

LICENSE IS APPROVED

Scope of Business: Facility is a commissary kitchen used for cooking and packaging cookies, cakes, cupcakes, brownies, pies, and cookie pies.

Limitations: Space only has stand up coolers and freezers no walk in freezer or fridge storage.

Certified Food Protection Manager (CFPM): Person in Charge understands that a Certified Food Protection Manager is required to be employed no later than (11/8/2026). Person in Charge agrees to provide documentation to the inspector upon course completion.

Firm has been made aware of the basic food code requirements applicable to their establishment and current operation. Person in charge understands the responsibility of the permit holder to comply with those requirements. If subsequent on-site inspection reveals non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the time frame specified in the Iowa Food Code.

The following guidance documents have been issued:

George Morlan
Person In Charge

Laura Sneller
Inspector
