For Immediate Release

X14 (Wapsi Ave) Project Work to Begin June 02, 2026 **Project # STP-S-CO52(132)—5E-52**

Johnson County, Iowa – Weather permitting, the Contractor and Secondary Roads expect work on the X14 (Wapsi Ave) improvements from Hwy 22 to 520th Street to begin on June 02, 2026. The road will generally be open to traffic during construction, but travelers should expect delays due to daytime lane closures. Traffic will be reduced to one lane during working hours using flaggers and pilot cars. Both lanes will be fully open to traffic at night except for unusual circumstances.

Construction is anticipated to be completed by early August, 2026. LL Pelling Co. of North Liberty, Iowa is the prime contractor.

For additional updates on this project, please scan the QR Code above or visit the Johnson County website at <https://www.johnsoncountyiowa.gov/secondary-roads/road-construction-updates>
