Inspection Published Comment:

This on-site visit is routine. A letter of correction has been issued for violations #2 and #5. See the letter for compliance details. The inspector will send an official letter of correction request to the person in charge.

Discussions with management:

#2 The person in charge agrees to the following:

- i. A minimum of one employee will be a Certified Food Protection Manager no later than 12/18/2026
- ii. Register at least one individual with management and supervisory authority and responsibility for a certified food protection manager course or exam by 6/18/2026.
- iii. Provide the inspector with proof of registration such as a receipt or a forwarded email confirmation from the course provider upon registration. A certificate of course completion may also be provided.

#5, 2017 Food Code 2-501.11 requires written procedures for employees to follow when responding to vomiting or diarrheal events that involve the discharge of vomitus or fecal matter onto surfaces in the food establishment. The procedures shall address the specific actions employees must take to minimize the spread of contamination and the exposure of employees, consumers, food, and surfaces to vomitus or fecal matter. This facility currently has procedures in place that are not written. Guidance documents have been provided to help the facility write procedures specific to this location. The manager agrees to implement a written procedure by 6/18/2026.

Follow-up will be completed on or after 6/18/2026 by Follow Up-Letter of Correction.

The following guidance documents have been issued:
