Call to Order:

Gabby called the meeting to order at 12:05 pm.

Approval of September 8, 2025, meeting minutes: Approved by Jay, Seconded by Josh.

JCCM Updates

JCCM Staff: A “new” Case Manager was hired and began employment on January 5, 2026. This Case Manager was previously employed with JCCM for 10 years before she was required to find another job because of the Managed Care takeover. She has been working for the MCOs since then and is very happy to be back. Because of her previous experience, she was immediately able to take on a full caseload.

JCCM Mandated Changes:

- Beginning in April/May, Case Managers will be required to have an HCBS Specialist from the Health and Human Services Department ride along with them to a member’s service plan meeting as part of quality oversight. This will occur once a year and the specialist will provide “in-the-moment” technical assistance and education as necessary. The specialist will also conduct a desk review of the member’s file.

- *HOME Project:*
 - *Phase 1:* Beginning in October 2026, Iowa Health and Human Services will transition members enrolled on the: Children’s Mental Health, Health and Disability, Physical Disability and AIDS/HI waivers into the HOME waivers: the Adults with Disabilities (AD) and Children and Youth (CY) waivers. The AD and CY waivers will also serve Iowans with developmental disabilities and Autism.
 - *Phase 2:* “Sometime in 2027” Iowa HHS will transition members enrolled on the Intellectual Disability (ID) and Brain Injury (BI) waivers into the HOME waivers and will add Supported Community Living, Residential Based Supported Community Living, Day Habilitation and Enabling Technology for Remote Supports on the HOME waivers.

- *More information is available at:* <https://hhs.iowa.gov/medicaid/about-medicaid/medicaid-projects/home>

Community/Provider Up-dates:

None.

Adjournment: 12:11 pm

Next Meeting: **Monday, June 8th, 2026 @ Noon, via Teams.**
