Inspection Published Comment:
LICENSE IS APPROVED.

Scope of Business: This establishment operates as the commissary kitchen for a licensed mobile food unit. Food preparation, storage, and restocking for the mobile unit are conducted at this location.

Limitations: The mobile unit is limited to storing enough food for one day's operation. Additional food must be stored at this approved commissary kitchen. Any expansion of the menu, food preparation processes, or operation requires prior approval from Johnson County Public Health.

Certified Food Protection Manager (CFPM): A Certified Food Protection Manager (CFPM) is employed for this operation.

The firm has been made aware of the basic food code requirements applicable to its current operation. The person in charge understands the responsibility of the permit holder to comply with these requirements. If subsequent on-site inspections reveal non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the time frame specified in the Iowa Food Code.
