A RESOLUTION FOR CESSATION OF HOSTILITIES IN THE MIDDLE EAST

WHEREAS, on February 28, 2026, Israel and the United States launched joint airstrikes on Iran, herein, “The Iranian War” or “war”; and

WHEREAS, continued hostilities have led to the deaths of senior Iranian officials including their Supreme Leader, an estimated 742 Iranian civilians including over 150 school girls; and the destruction of over 5,000 residential units, over a dozen medical centers, and 65 schools; and

WHEREAS, counterstrikes by Iranian regular forces and their proxies across the Middle East have led to civilian and belligerent casualties across nations not directly participating in the war; and

WHEREAS, as of March 9, 2026, the United States has suffered at least 13 military casualties from attacks in Kuwait and Saudi Arabia, including Army Reserve Maj Jeffrey O’Brien of Waukee and Sgt Declan Coady of West Des Moines, with the Des Moines-headquartered 103d Sustainment Command (Expeditionary) bearing the brunt of those casualties; and

WHEREAS, beyond those known losses of life and life sustaining infrastructure, the war has resulted in a devastating loss of civilian life, the displacement of many families, and the acceleration of a deepening humanitarian crisis; and

WHEREAS, continued hostilities pose a direct threat to the inherent human rights of everyone in the region with spillover effects threatening the entire world; and

WHEREAS, the war has already resulted in an environmental catastrophe that will lead to the immiseration and premature death of thousands across the region; and

WHEREAS, neither the Presidential Administration of the United States, nor the Congress of the United States, have put forth a coherent or lawful justification for the war, its aims or under what conditions a cessation of the war is possible; and

WHEREAS, from July 2015 to January 2016, negotiations between China, France, Germany, Russia, the United Kingdom, the European Union, the United States and Iran resulted in the implementation of the Joint Plan of Action (“JCPOA”), a multilateral agreement which successfully constrained Iran’s offensive nuclear capabilities until, in 2018, President Donald J Trump withdrew the United States from the JCPOA and imposed sanctions under Maximum Pressure Campaign which effectively removed Iran from the world financial system; and

WHEREAS, Iran nevertheless continued in substantial compliance with the JCPOA until the June 2025 Iran-Israel war, when Iran terminated its acceptance; and

WHEREAS, had the United States maintained the JCPOA one of the many shifting rationales for the war would be inoperative; and

RESOLUTION NO. 03-26-26-03

A RESOLUTION OPPOSING HR 22, THE SAFEGUARD AMERICAN VOTER
ELIGIBILITY ACT, IN THE UNITED STATES CONGRESS

WHEREAS, the right to vote is paramount to democracy, and Johnson County has a long history of protecting and ensuring that right for over 90,000 active registered voters; and

WHEREAS, the State of Iowa's election system earned an F grade by the Institute for Responsive Government's Election Progress Report in both 2021 and 2022, recognizing Iowa's unfortunate moves toward a less accessible and ethical voting process; and

WHEREAS, currently, state law prohibits non-citizens from voting in Iowa's elections, and includes existing safeguards to ensure the security and integrity of the voter registration and election process; and

WHEREAS, House Resolution 22 in the United States Congress, the so-called "SAVE Act" would impose upon voters documentary proof of citizenship requirements, including requiring voters to present a birth certificate, passport, or other documents that citizens often face difficulty accessing; and

WHEREAS, the expressed purpose of the "SAVE Act" is to prevent non-citizens from voting. However, non-citizen voting is rare in Iowa elections. According to statistics from the Iowa Secretary of State, only 35 instances of non-citizen voting occurred out of over 1.6 million voters in the 2024 election; or 0.002%; and

WHEREAS, many Iowans do not possess or do not have easy access to the documents that would be required under the proposed Act.

THEREFORE BE IT RESOLVED BY THE BOARD OF SUPERVISORS THAT Johnson County does hereby oppose any legislative effort that would create unnecessary barriers to voter registration and participation for eligible voters; and

BE IT FURTHER RESOLVED that the Johnson County Board of Supervisors calls on Iowa's members of the United States House of Representatives and United States Senate to reject policies that would undermine voter access and negatively impact many Iowa voters; and

BE IT FURTHER RESOLVED that a copy of this resolution be forwarded to the Iowa Secretary of State and the Iowa members of both the United States House of Representatives and United States Senate.
