Inspection Published Comment:
LICENSE IS APPROVED.

Scope of Business: This establishment operates as a commissary for a licensed food truck. Meat and vegetables are prepared at this location for use on the mobile food unit. Cooking and reheating occur on the mobile unit.

Limitations: The commissary is used for food preparation, storage, and support of the mobile food unit. Extensive changes to the menu or operation require prior approval by the regulatory authority..

The person in charge understands that a Certified Food Protection Manager is required to be employed no later than 2/11/2027. The person in charge agrees to provide documentation to the inspector upon course completion.

The firm has been made aware of the basic food code requirements applicable to their establishment and current operation. The person in charge understands the responsibility of the permit holder to comply with those requirements.

The following guidance documents have been issued:

Kenneth Neal
Person In Charge

Ahmed Mohammed
Inspector
