Inspection Published Comment:
LICENSE IS APPROVED.

Scope of Business: Establishment intends to operate as a retail grocery store, meat market, and catering operation. The kitchen will be used for catering operations only. All catering foods will be fully cooked on-site. The establishment is equipped for cooking, cooling, cold holding, and hot holding of TCS foods. Hot foods will be maintained in commercial hot-holding units/warmers until pickup. If delivery is provided, food will be transported in insulated hot boxes and/or coolers to maintain required temperatures. All food will be obtained from approved sources/distributors.

Limitations: No limitations based on the current menu and facility capability and capacity.

Certified Food Protection Manager (CFPM): The establishment has a Certified Food Protection Manager. The person in charge provided CFPM documentation to the inspector during the pre-opening inspection.

The firm has been made aware of the basic Food Code requirements applicable to the establishment and current operation. The person in charge understands the responsibility of the permit holder to comply with those requirements. If a subsequent on-site inspection reveals non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the timeframe specified in the Iowa Food Code.
