E-CImpact Basics

Introduction to the platform and how to access the application.

Accessing the Joint Funding Application via e-CImpact

To access the e-CImpact platform for the Joint Funding Application, visit:

<https://agency.e-cimpact.com/login.aspx?org=17300U>

- You must use this link, and not the link from a general e-CImpact google search to access the correct site associated with the United Way of Johnson and Washington Counties.
- Though the admin for this site is UWJWC, this is the correct link to access the application for all funders involved in the joint application.

Logging in

To log in, go to: <https://agency.e-cimpact.com/login.aspx?org=17300U>

If you already have an agency account, enter your username and password to login.

If you do not remember your password, click the “Having trouble signing in?” link to reset.

If you do not have an agency account, use the “New to e-Cimpact?” box to create an agency account.

If you need assistance with logging in or creating an account, please contact Wendy Nolan 319-338-7823 or wendy.nolan@unitedwayjwc.org.

The screenshot shows the login interface for the United Way of Johnson & Washington Counties. At the top, there is a banner with logos for Johnson County, City of Iowa City, United Way Johnson & Washington Counties, Coralville, and North Liberty. Below the banner, the page is divided into two main sections. The first section, titled 'Agency Site', contains the text 'UNITED WAY OF JOHNSON & WASHINGTON COUNTIES' and a globe icon. It prompts the user to 'Please sign in to your account.' and provides input fields for 'Username' and 'Password', followed by a 'Sign In' button. Below this is a link for 'Having trouble signing in?'. The second section, titled 'New to e-Cimpact?', prompts the user to 'Create an e-Cimpact account' and provides a link to 'Click here to create a new e-Cimpact agency account'. Arrows from the text boxes on the left point to the 'Sign In' button, the 'Having trouble signing in?' link, and the 'Click here to create a new e-Cimpact agency account' link.

Additional Help Text Available

- For more information on certain questions, look for items marked with a blue and white question mark.
- Simply hover over the question mark to view additional details.

The screenshot shows a portion of a form with several input fields. On the left, there is a list of categories, each preceded by a blue circle containing a white question mark. The categories are: 'Grants - Federal, State, Foundation*', 'Fees for Services*', 'Fun', and 'Annual Endowment Draw'. The 'Fees for Services*' category is circled in green. A blue arrow points from the title 'Additional Help Text Available' to the question mark icon of 'Fees for Services*'. A yellow tooltip box is open, displaying the title 'Fees for Services' with a lightbulb icon, followed by the text: 'This represents revenue earned from providing services for which fees are charged. It includes Income from service contracts, program fees, client charges, and any other payments received for specific services rendered by the organization.'

Grant Narratives - Funder Requests

Please complete the narratives below for each funder from whom you are requesting funding. Enter 'N/A' in the corresponding field.

You can find eligibility details and contact information for each funding entity by hovering over the funder name.

1. United Way JWC Funding Narrative: Tell us about your services to Johnson and/or Washington County residents. If your agency serves a larger regional area, please provide the percent of overall clients that are Johnson and Washington County clients.

Limit up to 3000 characters (0 used).

2. Johnson County Funding Narrative: Johnson County prioritizes funding for organizations that address the needs and outcomes for Johnson County residents. Tell us about your services that address any or all of these needs. If your agency serves a larger regional area, please provide the percent of overall clients that are Johnson County residents.

Limit up to 3000 characters (0 used).

3. City of Iowa City Funding Narrative: Tell us about how your services to Iowa City residents address the needs and outcomes for Iowa City residents. Tell us about your shelter services, food insecurity, healthcare (including behavioral health), childcare and youth services.

Limit up to 3000 characters (0 used).

4. City of Coralville Funding Narrative: How do your services specifically address needs and outcomes for Coralville residents? If your request is program specific, please provide details.

Limit up to 3000 characters (0 used).

FY28-FY29 Performance Measures

- A comprehensive listing of performance measures and outcomes are available for agencies to review, select, and complete.
- Agencies should select and complete measures and outcomes related to funding requests and that represent core services.
- Measure and Outcomes will be reported after 6 months of each funding fiscal year and at the end of each funding fiscal year.
- Measures and Outcomes are categorized by type of service.
- Blue circles with a question mark contain additional information and clarification for an item. Hover your mouse over the icon to review the information.
- Individual measures should be counted as unduplicated people. Services count total instances or amounts of support.
- Additional information and explanation is contained within the system form instructions and Blue Circle icons.
