Staff: JCCM is happily staffed with three very experienced Case Managers.

State-Mandated Requirements:

- In April, JCCM experienced their first “ride along” with an HCBS Specialist from the Health and Human Services Department. The Specialist attended the member’s service plan meeting as part of quality oversight. The specialist also conducted a desk review of the member’s file. Both reports were very favorable with no remediation needed. JCCM is required to have one “ride along” per year.
