Food Service Establishment Pre-opening inspection.

LICENSE IS APPROVED

Scope of Business: Secondary license added to retail grocery license. Establishment to offer popcorn, cut produce for customers and serve heat, hold and serve items in a hot holding unit.

Limitations: Establishment limited on food production space, addition of items outside of approved items requires prior approval from regulatory authority.

Certified Food Protection Manager(CFPM): Establishment currently meets Iowa Food Code exemption and does not require a CFPM. Expanding of food may result in the requireing of a CFPM.

Firm has been made aware of the basic food code requirements applicable to their establishment and current operation. Person in charge understands the responsibility of the permit holder to comply with those requirements. If subsequent on-site inspection reveals non-compliance with regulations, the permit holder agrees to bring violations into full compliance within the time frame specified in the Iowa Food Code.
